Dear Lett,

Thank you for responding to my request made at the Portland EAC Convention for the inventory of the Brand large cents. However, the list you sent is not the one I am looking for.

Enclosed is a copy of the half cent listing sent by Brand to Johnson on 2/7/41. You sent this to me several months ago. This is the same format as the large cents also sent by Brand to Johnson on 2/7/41. I am hoping to get this for the large cents. This is very, very important for my research. I wrote Eric about three weeks ago sending him this half cent list and asking him if he could find the large cents. If it were not so important, I never would have requested the information from him ~~from him~~. I hoped he had someone to go through his archives because I did not want him to do it.

Do not return this half cent listing to me.

Lett, I am deeply concerned about asking this. If it can't be done then that is, of course, all right. Once again, thank you.

Very sincerely,
Pel Bland

Dear Del:

I have your memo of July 10 about the list of Brand large cents. I am sorry we sent you the wrong list.

I understand the list you want, I believe. Eric is away for the summer at Martha's Vineyard, and will probably not return until September. It seems to me best to wait until he is back, because he is the only one that seems to know the location of various records of this sort. I hope this delay will not unduly inconvenience you.

Sincerely,

Tett

Dear Jeff,

I received your letter of July 18.

I hope you or Eric did not get the idea that I was in a hurry to get the B.G. Johnson list of large cents given to him on 2/9/41. Whenever Eric is available is, of course, fine. I do not mean to rush anyone. I can't tell you how much I appreciate the effort put forth in my behalf.

Enclosed are a couple inventories I made when I visited Mr. Norwich prior to the auction. Thought they may be of interest to you. I mean to enter the information in my notebooks.

Very sincerely,
Del Bland

Mr. Del Bland
28317 71st Dr. NW
Stanwood, WA 98292

Dear Del:

I am really sorry that your eyes are giving you so much trouble. I have a puckered retina in my left eye also, and I know what a serious handicap poor vision can be. Your letter was very clearly written. I had no problem reading it. However, we will miss you at EAC. I believe next year's EAC meeting is scheduled to be in Portland, so that might give you an opportunity to see all your friends.

With respect to the 1811 proof (or proof-like if you prefer) you are correct that it did not come from the Colonel Green collection. I spent several hours over at Eric's house on Saturday going through his meticulous records, and I can place the provenance of this coin back a bit more than one hundred years. Unfortunately, it does not correlate with your description of Chapman to Newcomb to Mehl. I don't know how to reconcile the two pedigrees, but have some solid information to offer you.

The coin came from the Dr. Thomas Hall collection, probably acquired in the 1890s. Dr. Hall died in May of 1909. Virgil Brand purchased the Hall collection intact. The Virgil Brand collection was divided 50/50 upon his death between his brother, Horace, and his son, Armin Brand. A single exception to this division was for the Connecticut coppers, which went to the Connecticut State Library. Burdette Johnson acquired the Armin Brand portion and sold the 1811 coin to Eric Newman.

But now

To substantiate this provenance, I mention the following:

- A) Eric has the original 408 page hand-written inventory book of Dr. Hall, which shows this coin clearly having been in his possession.
- B) Enclosed is a letter to Armin Brand dated February 7, 1941, listing the consignment of half cents to B.G. Johnson by Armin Brand. This consignment lists each coin as either a 'W,' coming from the Wurtzbach collection, or an 'H,' coming from the Hall collection. The 1811 has the 'H,' indicating it

Mr. Del Bland
Page 2 of 2
March 25, 2010

was from the Hall collection and the price of \$150. There is a checkmark on Eric's copy of this consignment list, indicating that he bought the 1811.

- C) Eric still has Burdette Johnson's envelope for this coin, which shows the price of \$150.

Incidentally, Eric recalls that when he was a young man, B.G. Johnson took him into the vault so that he could browse through the enormous consignment from Armin Brand.

It seems clear that we have a well documented provenance as to where this coin has been for over one hundred years. I leave it to you to see if this can be reconciled with your prior information.

My hunch is that we may be discussing two different but similar coins. Eric also found the uncirculated 1811 in his copy of the Parmelee catalog, at which time the Hall-Brand specimen was clearly elsewhere.

I am not sure to what extent this has been helpful or created a further problem for you, but in any case, I know you would want the facts.

We are all well here, and wish you the best also.

Sincerely,

R. Tettenhorst

Lett,

My eyes are still bad. I hope I can write this letter plainly enough so you can read it.

Enclosed is a ~~very~~ copy from my cut and paste project which I may have sent you previously. If you already saw a copy it probably shows that Col. E.H.R. Green once owned this coin. Apparently that is incorrect. I have a copy of the inventory of the half cents you purchased from Eric Newman. On that inventory it lists your Col as a "Proof" and in the column where the provenances are shown under Col. Green it says No. I have the Col. Green example going thru B.G. Johnson ~~Jane - Kelly to Robston,~~

Would appreciate your comments on all this. Do you know where Eric got the coin he sold to you?

I do not expect to attend the EAC convention. My eyes do not permit me to enjoy seeing the coins. That is why I haven't been to a convention since 2006 in St. Louis.

Hope all is well with you and Marilyn.

Best Regards,
Del Blund

Dear Del:

Enclosed is the list of the large cents received by Burdette Johnson from the Virgil Brand estate. This came from Eric Newman's archives. I believe it is what you asked me at the Portland EAC Convention to ask Eric to provide for you.

I hope all is going well with you and look forward to seeing you at the EAC Convention next year in Buffalo.

Sincerely,

Tett
